Backaging
 A playful and vibrant 3D cookie jar designed to capture kids' attention, featuring bright colors, fun shapes, and functional shelving.

Magazine
 The Montreal Tourism Magazine features stunning visuals and sleek typography, showcasing the city's top attractions.

Jewelry Brochure
 The Myel Jewelry brochure features a sleek, luxurious design with high-quality imagery, elegant typography, and premium paper.

Sarah Cann
sarah-cann.graphicandwebdesign.ca

Glo
For my GLO project, I designed business cards and labels for a fictional haircare company, using a neutral and earthy color scheme to create a natural brand identity.

Vinyl Album Cover
For my vinyl album cover project, I recreated the design while staying true to the original album's theme and colors, incorporating my own creative touch to give it a fresh yet recognizable look.

Trifold Brochure
For my trifold brochure project for MYEL, I designed a layout that highlights their wedding rings and bands, using a neutral color palette to keep the focus on the elegance and craftsmanship of the jewelry.

Vinyl

This vinyl is for the album Phoenix by Charlotte Cardin. This album has a lot of emotions and warmth which is the reason why the illustration shows this phoenix in fire.

Stamps

The stamps are a representation of popular diseases. The idea behind this is to promote awareness and education about challenging subjects.

Illustration

For this line art illustration, the black background was too simple, therefore adding those colourful circles adds contrast while thinking outside the box.

Hung Dao Le Phuc

hung-dao-le-phuc.graphicandwebdesign.ca

A Quiet Place Poster

I created a vector-style poster for A Quiet Place, one of the greatest horror film franchises. The Walking Dead's color scheme served as a major inspiration for this project, which I combined with my illustration.

Bandana Merch Design

I am beginning to create bandanas because I am a huge lover of them and plan to have a collection of them in the future.

RE8 Stamps Merch

The stamps I created have a similar feel to one of the most well-known series, the Resident Evil franchise, particularly the 8th part, which gives you a spooky and frightening feeling throughout the entire game.

Benjamin Foronda

benjamin-pamplona-foronda.graphicandwebdesign.ca

LaVille Shoot

This was a promotional poster for the brand we created called "LaVille". A Montreal clothing brand, and it showcases the shirt I've designed and the brand motto.

Olympia

This was my beverage packaging design. We were asked to not only design the product but also include an element of pop culture.

Edo Cards

The ace card I designed for a playing cards set. I drew a lot of inspiration from Japanese elements and the Edo Era of Japanese culture.

Elyana Fracasso

elyana-fracasso.graphicandwebdesign.ca

Fiasco

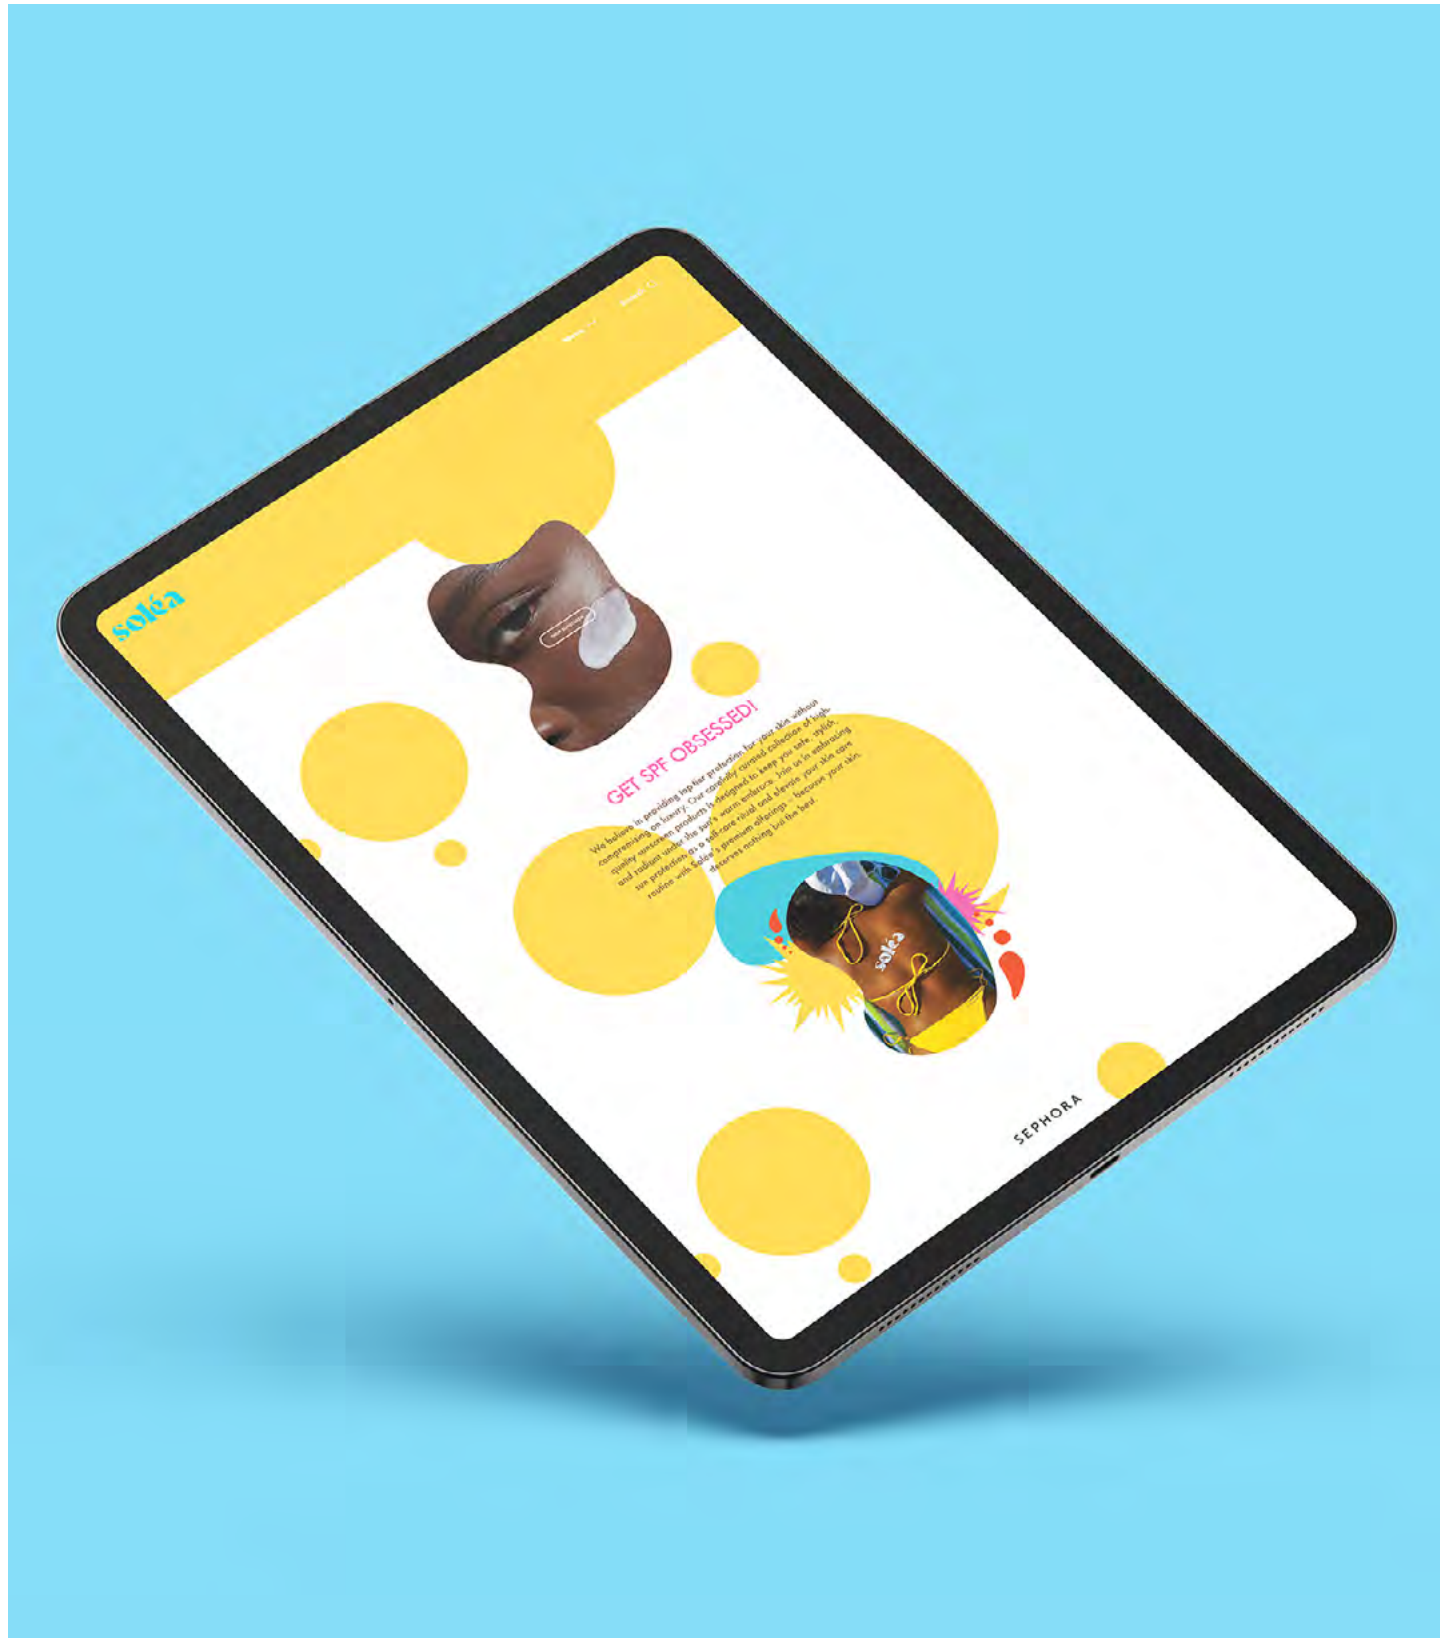

Fiasco is a unique and playful charcuterie catering company that stands out through its clever use of food-based puns, bringing humor and charm to the brand.

Packaging

Bringing a creative touch to typical band-aids, Clumsy Crew is created especially for kids. Friendly, hand drawn monsters are incorporated into the packaging and product design giving it a distinctive twist.

Vinyl Album

Redesign of Coldplay's album "A Head Full of Dreams". With bright colors and kaleidoscope patterns to represent the album's meaning.

Leila Francis
leila-francis.graphicandwebdesign.ca

Soléa
This website represents my trade fair brand, Soléa, a key component of our semester-long project.

Vinyl Cover
Here are three of the four panels from my vinyl sleeve redesign for Frank Ocean's album cover.

Barbie Photobook
Here is a photo and the cover of my Barbie-inspired photobook for our photography class.

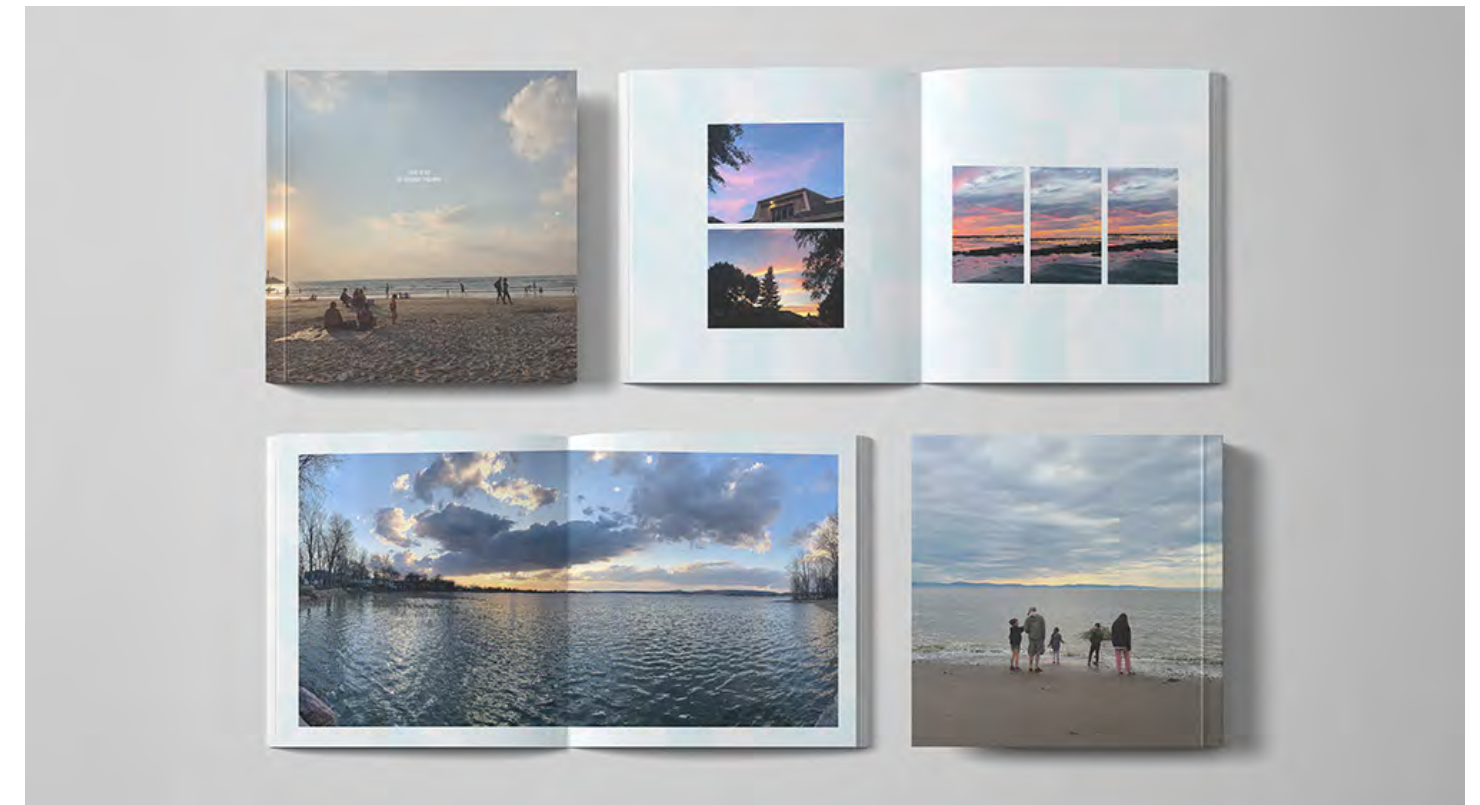

Jordanne Friedman

Vinyl Packaging

This was a vinyl concept design. It is for a Charli XCX album. I used Illustrator to create this. This is my favourite project since I love vinyl and got to design something I am so passionate about!

Photobook

For this project we had to have a theme and create a photo album based on it. I chose personal things that make me, me! I named the photo album "Part of me" as everything in the album reflects my interests.

Catalogue

This is my catalog for West N Faith, a pink and western shop. In my catalog I promoted our items and gave shoppers a chance to decided what they would like to buy. This project really taught me about branding.

Matthew Gallant

matthew-gallant.graphicandwebdesign.ca

BlackJack Branding

Barbershop brand made with two other fellow students. We had to design a brand from nothing to something. We each did our own part in this project, however the logo design was made by all three of us.

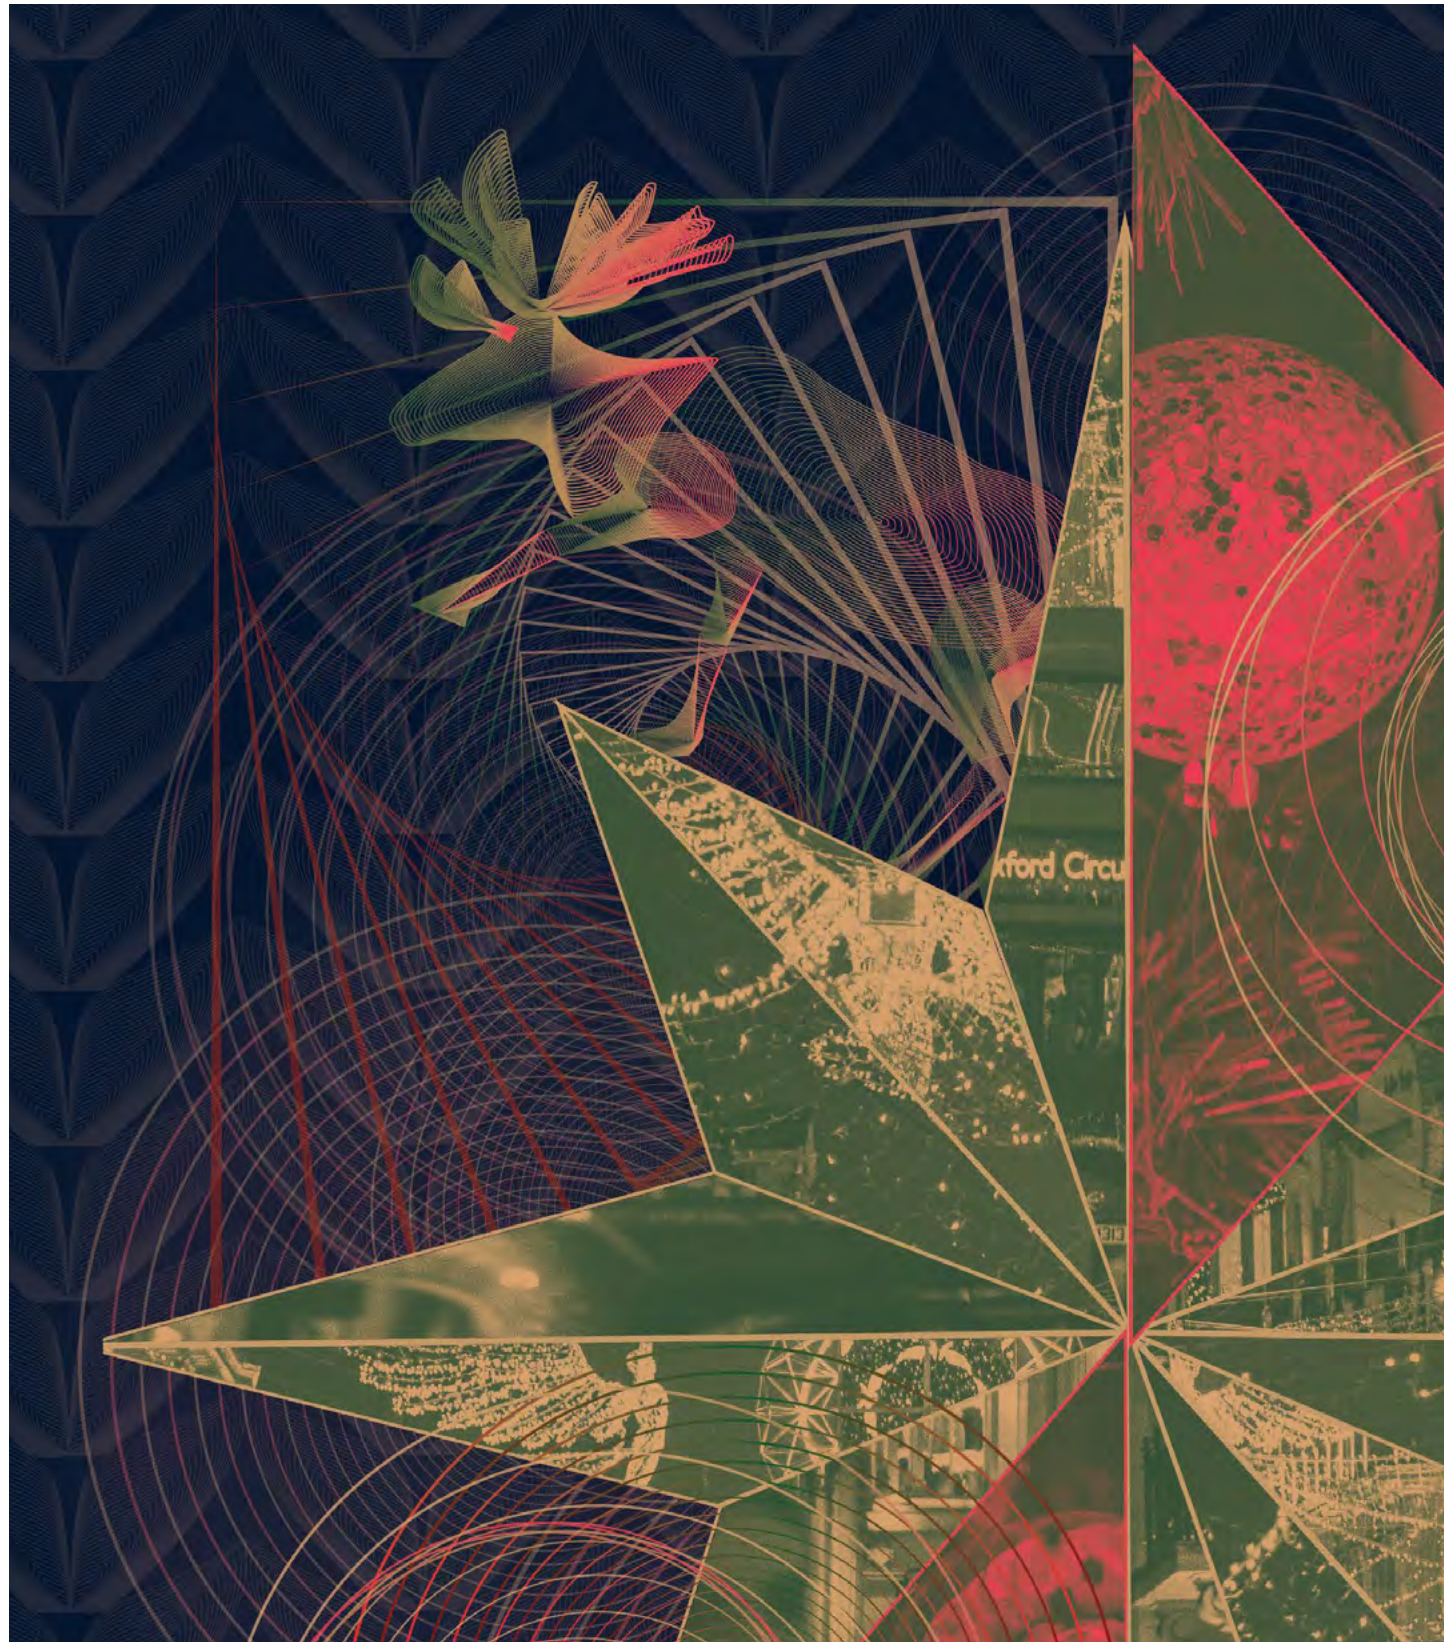

SIP ICI Business card

The SIP ICI brand for a night bar/restaurant. Which was a place meant to be calm and relaxing as well with snacks for those with an appetite. Showcasing the business cards that I designed which had fun creating it.

Digital Painting Artwork

A perspective room that I made into a digital work of art. Using my imagination with the colours, I had to go with something mysterious like a horror story and that would be the cover of the book.

Toshihide Ikoma

toshihide-ikoma.graphicandwebdesign.ca

Christmas Geometric Shapes

My work was influenced by my recent experience of going to IKEA, the Christmas packaging of Nutella I bought at Walmart, and the Christmas Jazz songs I listen to on YouTube.

Save Our Sea

A sea turtle, the embodiment of the beautiful blue ocean, is heading toward a dark world full of garbage.

Daruma Drinks

The drink packaging is based on the motif of a traditional Japanese ornament, a Daruma doll. I created three drinks inspired by Japanese matcha, British black tea, and African rooibos tea.

Tasmiya Janjua

tasmiya-janjua.graphicandwebdesign.ca

Glo Hair Oil

A semester-long project dedicated to creating your own brand led to Glo. Glo is a hair oil brand mainly for hair care and hair growth.

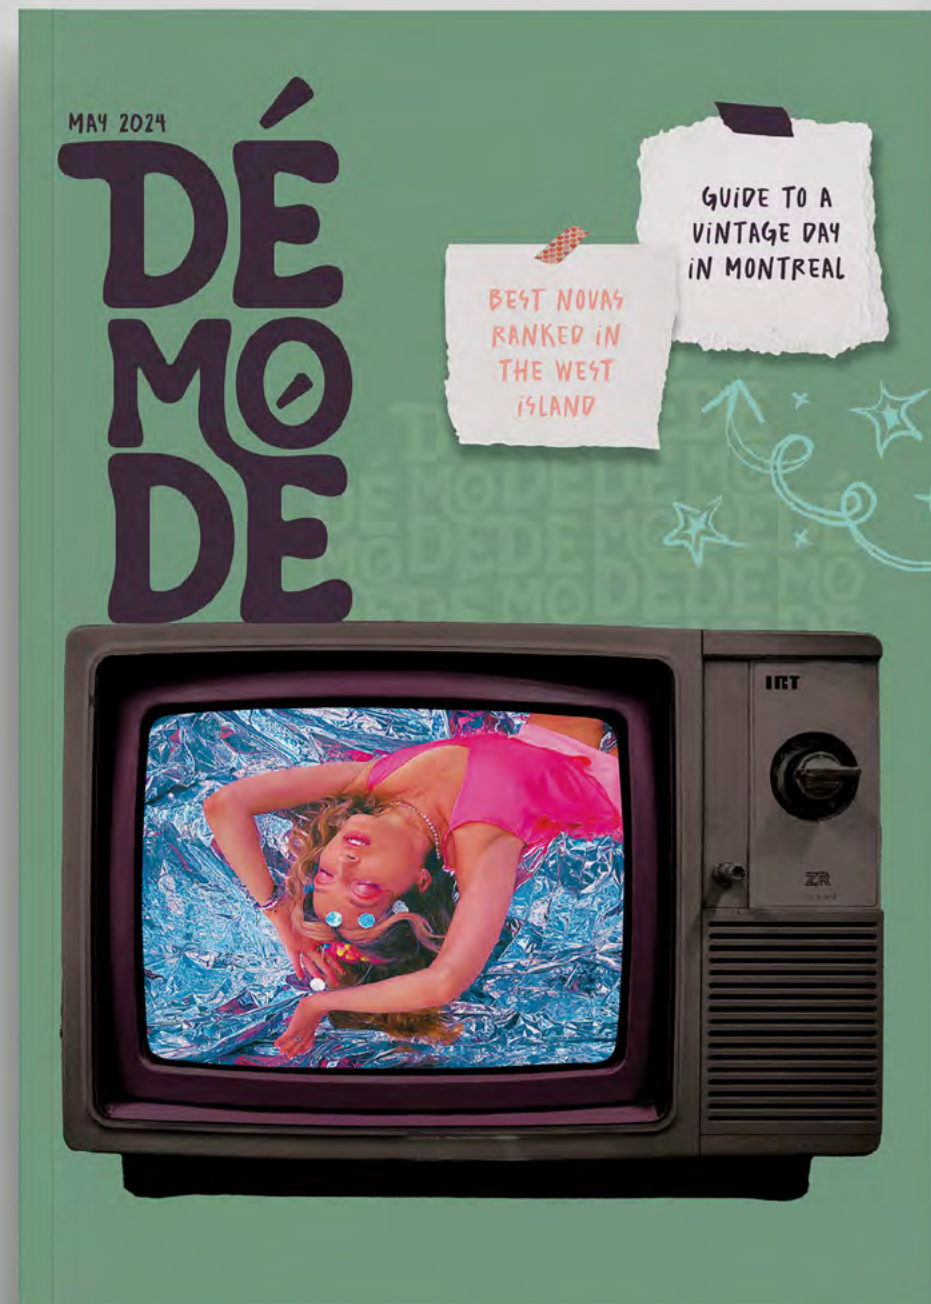

Fall Fashion Catalog

This project is a catalog where I designed a fall fashion lookbook.

Pop Retro

For a packaging class, we had to create our own drink brand, so I created Pop Retro. Each flavour is inspired by a different decade while giving a nostalgic feel

Laurel Levesque

laurel-winter-levesque.graphicandwebdesign.ca/

DÉMODÉ Magazine

Magazine cover created for a unique fashion magazine covering Montreal's vintage and thrift stores.

Apollo XXI Vinyl

Vinyl cover created for Steve Lacy's Apollo XXI album, inspired by his love of orange and his funky, organic art style.

Game of Thrones Playing Cards

Playing cards inspired by the house sigils of Game of Thrones. The bold black and red is depictive of the show's content and themes.

Anojan Lingaratnam

Poster Redesign

I chose to redesign the Daredevil tv show poster by focusing more on the negative side of the series to show what it portrays.

Wedding Photography

I went as an assistant with a professional and he taught me a lot about the different shots that can be taken. It's not just about the bride and groom but also about the little accessories.

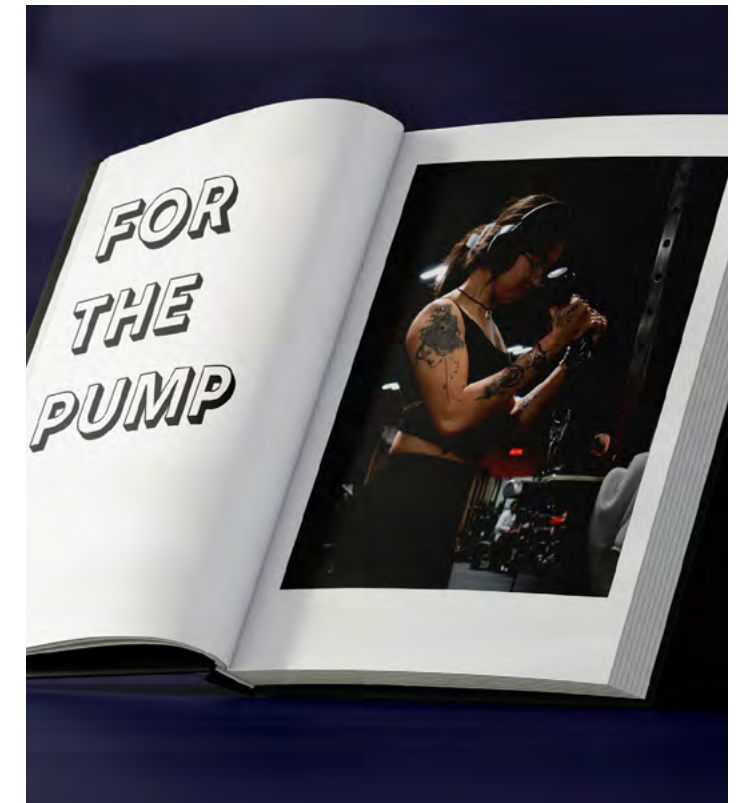

Gentlemen's Den

This project was a team project where we had to make a magazine. So my team and I decided to do it on "how to become a man" and "how to be proper".

Birthday Photoshoot

For this shoot, the client was turning 21 and wanted to have captivating photos to commemorate the day.

Photobook

I decided to do a photobook about the gym. I wanted to show that it's not a place just for guys and it can be fun and a great place to make friends.

Tien Nguyen

thi-thuy-tien-nguyen.graphicandwebdesign.ca

Tizan Branding

A complete brand identity package, including a logo, stationery (business cards, letterhead, envelope), stickers, and an ad poster that reflects the brand's fun and energetic voice.

Photobook

A photobook exploring various sources of light, with Montreal's city lights featured as one of the most prominent highlights.

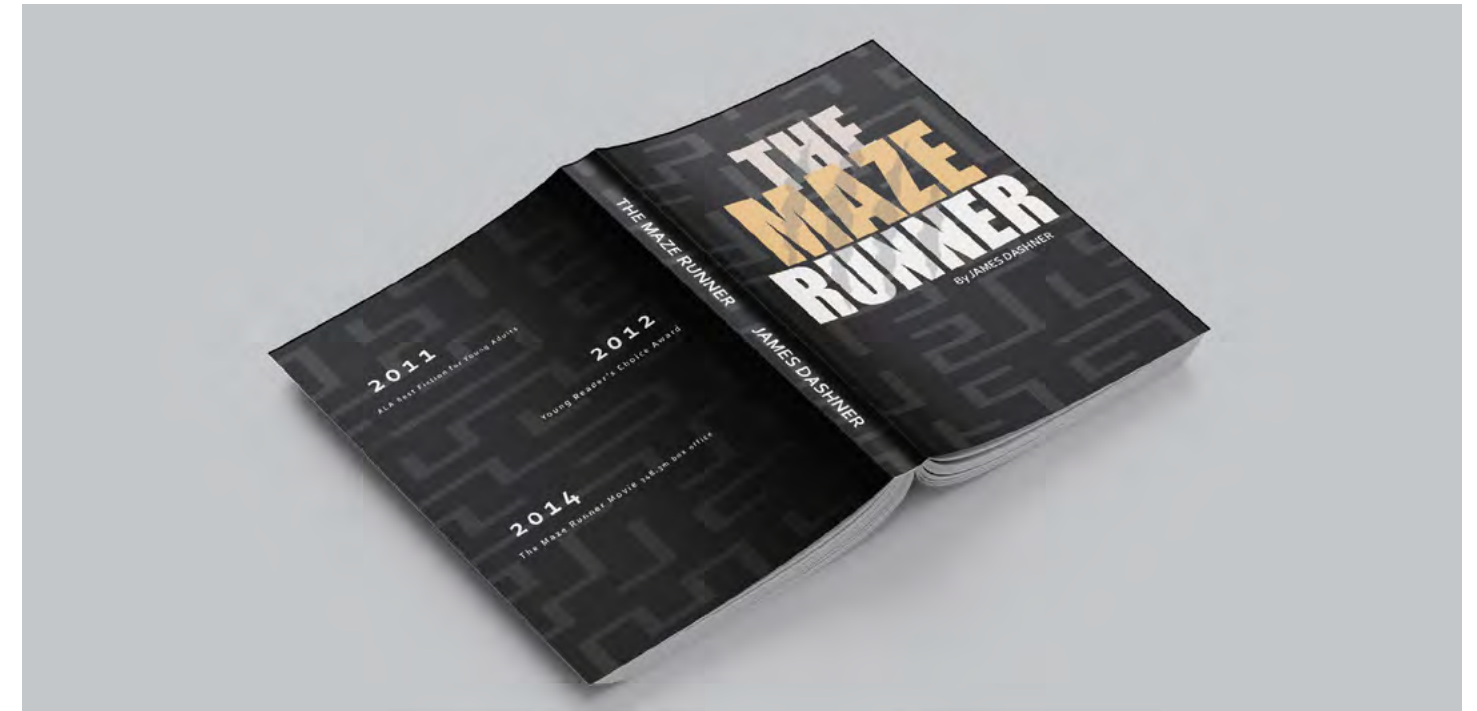

Artfolio

A creative process book detailing the designer's workflow and approach to producing art.

Robert Nittolo

Vinyl - Laufey Album Goddess

I took inspiration from the album that I absolutely adore Bewitched: The Goddess Edition by Laufey. I made sure to use the dreamy blue tones from her original cover and designs.

Stamps - Japan's Himeji Castle

For my stamps, I made sure to make them detailed. Each design features a pattern of curved lines, in order to symbolize a consistency between the artworks to have them harmonize.

Dust Cover - Harry Potter

I created my design in Illustrator using the Pen Tool. I was inspired by the third book in the series but instead I made a pattern that is elegant yet intricate and balanced.

Kristine Parry

kristine-parry.graphicandwebdesign.ca

Movie Poster

Only using illustrations, I designed a movie poster for the movie IT.

Playing Cards

Only using illustrations I designed a deck of playing cards using illustrator.

Dustcover

Only using illustration I designed a dustcover for the novel The Lion, The Witch & The Wardrobe by C.S. Lewis.

Roshan Patel
