A boy name Stephen who was born as invisible, and a girl name Elizabeth who wishes that she was invisible. Elizabeth can see Stephen and Stephen is surprise of this. They start to get closer to one another, but as their worlds are now collided with things such misfortunes, spells and curses and they must find their answer before it make a difference between love and death.

**Invisibility**

By Andrea Cremer and David Levithan

# Invisibility

By Andrea Cremer and David Levithan

Editor: Philomel Books

**Comments about the book:**

-An amazing story of two young people, one who is invisible, one who is not.

-An amazing story of deciding how far you bonds become, even with everything on the line.
