User Guide

Become an Expert

Accounts

Setting up an **iTunes** account can seem overwhelming and stressful to new users. This step by step tutorial will help you, its not as hard as it seems. The first step is as simple as setting up your own account and create and account.

1 Go to **Store** and select **Create Account** option.

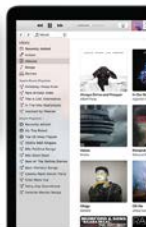

2 Click **Agree** to go to next step.

3 Register with your email which will be your **Apple ID**.

4 Select a payment method.

5 You will get an account verification email.

Here is how to do it:

Now your **Apple ID** has been created. When you login your account, you can easily access your favorite songs, movies and more. iTunes Store provides you with millions of songs, movies and apps. You are able to search for your item by inputting the keyword to the search box.

Sign up for Subscription

1 Go to [Apple music](#)

2 Click [Try it Free](#)

4 Enter email address

5 Click [I accept Terms and Conditions](#)

The second most important step is to [subscribe](#) for the monthly subscription plan, which allows to download any song.

Lets start by setting up a paying method:

Start your free 3-month trial.

No commitment. Cancel anytime.

Student*	Individual	Family
\$4.99/mo.	\$9.99/mo.	\$14.99/mo.
Try it free	Try it free	Try it free

50 million songs, plus your entire iTunes library

Listen online or off

Free trial with no commitment*

Stream ad-free music and music videos

Download 100,000 songs to your library

5

Now you have learnt how to [subscribe](#) for monthly unlimited music.
