Sea to Sea

Travel Agency

“Travel the sea to see the world”

About Us

Sea to Sea is a travel agency based in Montreal. The founders, Cassandra and Kelsey are two friends that met back in high school but became closer in college.

Both have experienced the trouble of planning a trip with friends. No one can decide on a destination, how to get there, language barriers, etc. which leads to arguments and forgetting about the trip. Since Cassandra and Kelsey were always the ones having to deal with the stress of trying to plan everything out, they decided to team up and that was the beginning of Sea to Sea.

Their goal is to help college and university students plan their trips with the least amount of stress possible.
