

A woman with long, dark, wavy hair is shown from the waist up. She is wearing a light grey, textured blazer over a black top and blue jeans with a black belt. Her right hand is raised to her hair, and she is looking down and to the left with a serene expression. The background consists of tall, dry grasses in a field, creating a soft, natural setting.

# SEASONS

felix rainville

Felix Rainville is an aspiring photographer and a full time student at John Abbott College from Montreal, Canada. Felix feels inspired by nature, because of the colours and the story that it brings to a photo. In this book, we can see the true colours of his originality and inspiration coming to light as he find his way through all four seasons of the year.

winter

spring

summer

fall

For some of us, seasons are just sections of the year. But when you pay attention to every detail nature offers us, seasons affect our moods and feelings. From the feeling of coziness to the feeling of sadness, they are changing our state of mind and making us who we are today.
