# CRAFT FAIR PROCEEDS

Westview's craft fair event is unique in that it is completely run by volunteers and the proceeds from the table rentals and food sales all go to subsidize the cost of an organized annual retreat for women. By subsidizing the cost, it allows this weekend to be affordable and accessible for women of all financial situations to attend.

This weekend allows women of Westview and others in the community an opportunity to come together to refresh, rewind and renew their life, their faith and their friendships!

THANK YOU TO ALL THE  
VENDORS OF THIS YEAR'S  
2019 WESTVIEW CRAFT FAIR!

The Westview Craft Fair Committee would like give a special thank you to all the volunteers, who have dedicated their time, their effort, their network and their ideas... and everything it took to make this year's annual craft fair a success!

Also, we would like to express our gratitude to the managers of IGA and Metro on St-Charles boulevard for their kind donations of food towards our "Lunch Time Cafe". It was greatly appreciated.
