The Clue of the Dancing Puppet

"Shhh... Not too old to read this... It's another lovely gentle old fashioned mystery where nobody gets hurt (too badly), and it does exactly what you think it will. In some ways, it's a bit like Scooby Doo without Shaggy & Scooby and where Fred is a girl - the same wholesome image with the assurance that the baddies will be caught. One small clue - it's not Old Man Withers..."

-Alex Howard

"I personally loved this book because of all the exciting details and things that happened in the book. I love Nancy Drew because you may think that you know who the criminal is, but then something exciting happens that throws you off course."
