About Me

I am a huge people-person, optimist, and creative thinker. I love new interactions and meeting all kinds of people from around the world. As a dedicated and passionate designer, I do not wait for opportunities to present themselves.. I make them happen. I can create logo designs, illustrations, and web designs to meet all your needs.

These Pieces

These two images represent a branding project I completed. I had to brand a 'Soda' and a 'flavored water' and create a new name and logo for these products based on two fruits. I chose to follow Raspberry and Apricot.
