About John Abbott College (JAC)

The mission of John Abbott College is to provide an excellent education for our students within a stimulating learning environment that will enhance their development and potential for success in society.

We are committed to Learning, Quality and Students. Foster in our students the ability to make and articulate informed intellectual, aesthetic and ethical decisions, while demonstrating skills needed for success in modern society. Cultivating a love of learning, autonomy and responsible citizenship in our students, both in the classroom and through socio-cultural, leadership, recreational and sports activities. Respect and learn from diverse worldviews and international perspectives, as reflected in our programs, our approach and our community.

We aim to provide well-rounded and balanced pre-university and career programs that meet high standards of quality and ethical consciousness, and responding to the requirements of universities, employers and society. We value excellence in teaching and learning as dynamic and interactive processes. We promote lifelong learning and continuous improvement in the College community, with a commitment to innovative pedagogy, effective administration and quality support services. We deliver leading-edge training, tailored to the needs of business, industry and other sectors, through our continuing education services and specialized programs.

Cultivating a safe, caring and challenging learning environment that bolsters self-esteem and promotes a sense of belonging and purpose, mutual respect, and healthy lifestyles, leading students to attain academic, professional and personal success. Ensuring governance that reflects the active engagement of students, staff and faculty, and places students learning at the centre of our decisions and actions. Establishing effective partnerships with academic, professional and social communities, to maximize our students' success and continued growth. These are all things that we care about immensely, and is what we look to accomplish in our school.

JAC SERVICES

Provide students with accurate information about the College's policies, procedures, resources and programs. Assist students in developing educational plans that are consistent with their own individual career and life goals. Advise students individually, on an appointment basis. Confidentiality and friendly, personalized attention are assured.

Academic Advisors

Because the CEGEP system places the responsibility for meeting diploma requirements on students, all students are encouraged to meet with an Academic Advisor every semester in their stay at the College.

We can work closely with and refer students to other institutional resources. Maintain a valuable link between students and the College by providing information about students' needs. Hold information sessions for students in group settings as the need arises.

The Student Union of John Abbott College

The main function of SUJAC (Student Union of John Abbott College) is to promote and defend students' rights and interests, thus helping to make John Abbott a better place for students. SUJAC is the official liaison between the students and the College, giving students a voice in College policies. SUJAC works on students' behalf and informs students on relevant issues and pertinent College matters. While every student is a member of the Student Union, SUJAC (Penfield 101) consists of the Executive and Congress.

The Executive and SUJAC Coordinator are ready to help students with any concerns. Overseeing the entire functioning of the Student Union is the President. He or she is elected in April of the previous academic year as are the four Vice Presidents. The Vice President Internal is responsible for all student clubs and several in school activities at John Abbott and also handles nonacademic grievances. The Vice President Academic is the person to see for information concerning teacher grievances and grade reviews.

Welcome to JAC's Academic Success Centre!

Our main function is to help students become successful and independent learners. Available to all of John Abbott as an effective, relevant and open resource. Current students are invited to visit the ASC Community on My JAC Portal for additional information, useful links and tips to help you succeed.

visit our community on the Portal, call (514) 457-8610, ext. 5285 or email us at academicsuccesscentre@johnabbott.qc.ca

Every semester we run many different tutorials, workshops and contests so go to our community (on the right side of your JAC Portal) to find out more. OUR goal is YOUR success! We are located on the main floor of the Herzberg building in Student Services in H-148. For more info,

Student Services

The Student Services division and the Academic Resources division provide comprehensive programs, activities and services which directly support the College's educational mission and respond to student needs.

Focussing on the enhancement of student learning and personal development, Student Services is also concerned with the general quality of student life on campus and student engagement. Student Services departments and the Academic Resources are located along "Main Street" in the Casgrain, Herzberg and Stewart Hall buildings.

We provide comprehensive student development programs, activities and the services which directly support the College's educational mission and respond to student needs.

Focusing on the enhancement of student learning and personal development, we are also concerned with the general quality of student life on campus and student
