#BELL LETS TALK

On Bell Let's Talk Day, the entire nation spoke up. Your actions resulted in Bell committing more money to mental health. This has helped us come one step closer towards creating a country that's stigma-free.

In September 2010, Bell Let's Talk began a new conversation about Canada's mental health. At that time, most people were not talking about mental illness. But the numbers spoke volumes about the urgent need for action. Millions of Canadians, including leading personalities, engaged in an open discussion about mental illness, offering new ideas and hope for those who struggle, with numbers growing every year.

As a result, institutions and organizations large and small in every region received new funding for access, care and research from Bell Let's Talk and from governments and corporations that have joined the cause. Bell's total donation to mental health programs now stands at \$100,695,763.75.

Sports and Recreation

Women's Volleyball finish the day in 3rd

A 2-2 record on the day was good enough for 3rd place in section C. Wins over Heritage (25-13, 25-22) and St-Jerome (25-23, 25-27, 15-12) were sandwiched in between losses to Brebeuf (25-15, 29-31, 12-15) and St-Lambert (28-26, 18-25, 13-15). This result combined with other games have the Isles eliminated from playoff contention (top 8 of 26). They will have 1 tournament remaining in Valleyfield on February 24th.

WBB survive the Hurricane

Ana Mendez's basket in the final minute of play allowed the Islanders to escape with a 49-48 victory over Heritage College Hurricanes last Friday night. Heritage came out with much more fight after losing to JAC by 33 in the fall semester. Zoe Arvanitis led Abbott with 17 points. The Islanders are on the road this weekend playing Outaouais Friday night and Montmorency on Sunday evening.

U SPORTS Top Honour Goes to John Abbott College Alumnus

by Joanie Godin

For the first time in the history of John Abbott College, an alumnus has taken home the highest honour in Canadian university football. In his third year with the University of Calgary Dinos, quarterback Adam Sinagra (JAC '15) was honoured with the Hec Crighton Trophy as the most outstanding player in U SPORTS football Thursday, at the Vanier Cup gala.

After learning from CFL greats Dave Dickenson and Bo Levi Mitchell during his time in Calgary Stampeders camp this spring, Adam Sinagra, an arts student from Pointe Claire, Québec, proceeded to have one of the best seasons in Canada West football history.

His 3,233 passing yards set a new U SPORTS record, as he led the Dinos to a perfect 8-0 season, and the most potent offence in the nation, averaging 570.9 yards per game. Sinagra ranked second in the nation in passing touchdowns this season with 23, and led the conference with a passer rating of 126.

After learning from the likes of former Hec Crighton-winning quarterbacks Erik Glavic (2007) and Andrew Buckley (2014 and 2015) - who are now coaching with the Dinos - Sinagra has now joined his mentors as a Hec Crighton winner, marking the fifth consecutive season a CW player has taken home Canadian university's biggest individual prize.

John Abbott College Islanders Head Coach Patrick Gregory says of Sinagra: "We are all very proud of Adam's accomplishments. He was a game changer for us, a tremendous competitor who made everyone around him better."

Stan Gendron, Sinagra's QB coach while at Abbott mirrors that same sentiment saying that he is "an exceptional competitor." It is no surprise, that Adam was also named all-Canadian.

About U SPORTS

U SPORTS is the national brand for university sports in Canada. Every year, close to 20,000 student-athletes and 700 coaches from 56 universities vie for 21 national championships in 12 different sports. U SPORTS also provides higher performance international opportunities for Canadian student-athletes at Winter and Summer Universiades, as well as numerous World University Championships.

Hockey heartbreak versus Dawson

The Isles were facing the longtime rivals Dawson Blues. Dawson opened the score quickly in the first period. The Isles bounced back with 3 goals of their own in the first period (Oona Emmenegger, Andi Calderone and Audrey Gervais) to take the lead 3-1. In the second period a total of 7 goals were scored. Gervais and Emma Beisswanger put the puck in the net for John Abbott. Starting the third period down by a goal, Gervais completed her hat trick to tie the game. Dawson scored the game winning goal with 16 seconds left in the game, making the final 7-6.

Men's Basketball eliminated from playoff contention

Last Friday night, the team took on CEGEP Ste. Foy. Donovan Allen-Beckles had a career high 31 pts, and rookie forward Michael Almanza had a career high 11 rebounds but it wasn't enough for the Islanders to overcome the Dynamiques as they fell 71-63. Combined with other results the Isles best possible finish will be 7th which puts them outside the playoff format for RSEQ division 1.

An Incredible Weekend for John Abbott College Athletes

by Joanie Godin

The Lacrosse team handed Collège Brébeuf their first loss in 3 years breaking their 29 game winning streak. First place Brébeuf was defeated by the third place Islanders in a hard fought game.

The Islanders battled back from a 3-goal deficit, twice to win the RSEQ Regional Championship 12-10.

Women's Rugby team brought home the RSEQ Regional Championship with a 36-19 victory over rival Dawson College. The women's rugby team completed a perfect season!

Men's Rugby kept the ball rolling as they also completed a perfect season winning the RSEQ Regional Championship by defeating Dawson College 24-17. The team showed grit and determination not wanting to let the home crowd down!

Football off to the Bol D'Or

For the second time in as many years the Isles will face off against Valleyfield for Division 2 football supremacy. In another back and forth game the Isles showed that their running game was not to be taken lightly. The defence held strong denying Cégep Edouard-Montpetit's final drive, making the final 29-27.

The Isles will look to avenge last year's finals loss to Valleyfield this Friday November 16 at 19h00 at Centre Claude Robillard.

TRIPS

Ski Trip: Why Everyone's Buzzing

Every year, John Abbott offers a ski trip to Mont Sainte Anne. The outing takes place towards the end of the winter break, and gives students the opportunity to enjoy some quality time on the slopes before the beginning of a new semester.

The trip is technically not a John Abbott trip since it is run through Rod Roy Ski company. This means that if you have a friend who does not attend John Abbott and wants to come on the trip, they are free to do so! The trip includes transportation to and from the hill in a deluxe coach bus, housing in a 5-star chalet which is 2-minute walk from the hill, transportation to Quebec city for one night, and four days of skiing for only \$450. What a steal!

YOUR VERY OWN HIVE

The inside of the chalets are beautiful with beds to sleep in for up to 10 people, a full kitchen, 2 bathrooms, a living room area, an upstairs loft, and a basement allowing everyone to spread out and feel like home.

DON'T WORRY ABOUT IT

The coach bus stops at a grocery store on the way up to the hill, where you have an hour to shop and get all the last-minute things you need. There is also a shuttle halfway through the week that costs \$3 if you still need more groceries. And if you desperately need something that cannot wait, there is a small-depanneur at the end of the street that all the chalets are located on.

Overall, it is a great and fun way to finish your winter break with a bang. You can register now at John Abbott's Student Activities in room H-159.

John Abbott College offers many different trips for students to enjoy throughout the semesters. Our school offers trips that are affordable for all students and if there are any problems, the student center will help out. We want the best experience for our students to create unforgettable memories for years to come.

PARIS TRIP

Home to the chic and sophisticated, Paris is the city of love, literature and exquisite boulevards filled with patisseries and boutiques offering authentic gastronomy and a catalogue of haute couture.

This beguiling city flaunts an impressive collection of classical art, including Leonardo da Vinci's masterpiece - the Mona Lisa, exhibited in the Louvre. Students can admire grand architecture, like the Arc de Triomphe or Notre-Dame, then escape the crowds and navigate through Paris' twenty arrondissements to discover Rue Cremieux - a cobbled backstreet brimming with pastel coloured houses like a box of Parisian macaroons.

Lounging on the lawn of Champ de Mars, students can appreciate France's most recognisable piece of engineering, the Eiffel Tower. This cloud-piercing, wrought-iron lattice gathers an astounding amount of seven million visitors each year and has inspired similar structures around the world.

French fashion brands, such as Louis Vuitton, Dior and Chanel, dominate the catwalks at Paris's Fashion Week whilst the rest of the city welcomes aspiring designers to flow through the doors of Palais Galliera - a museum devoted to examining trends from the past and styles for the future.

NEW YORK TRIP

Ever wanted to visit the Big Apple? Take a trip to the City that never sleeps? Well here's your chance! For only \$365, you can do just that. You get to spend 3 days and 2 nights at the Edison Hotel, which is just an 8 minute walk from Time Square! Departure is at 6 a.m. on March 5th from John Abbott. Departure from New York City is at 11:00pm on March 7th.

This package includes all of the following: transportation by deluxe motor-coach, two nights at your hotel, tax and service charges, a four-hour city tour, and services of a representative. No trip to New York is complete without a visit to the 843-acre central park. Designed by Frederick Law Olmsted and Calvert Vaux, the sprawling beauty makes you forget you're in a crowded city. No matter the season, the green space offers plenty for visitors to see, from the Shakespeare Garden, Strawberry Fields, and a tribute to John Lennon. As you stroll through the forest terrain, keep an eye out for the iconic Alice in Wonderland and Balto statues. To go more in-depth during your visit, you can take a free welcome tour of certain areas of the park, including the northern welcome tour, southern welcome tour, and heart of the park tour.

On Friday evenings from 4 p.m. to 8 p.m., UNIQLO hosts free visits to the Museum of Modern Art. The pass lets visitors view all galleries, exhibits, and films during their trip. Located in Midtown, MoMA features a wide range of permanent and rotating collections, with everything from Monet to Matisse. It's recommended that visitors arrive early at the museum, because as the evening continues, crowds tend to grow.

Enjoy a 25-minute trip from Manhattan to Staten Island via this Staten Island Ferry. The ride offers views of the Statue of Liberty, Ellis Island, and the skyline, as it takes you from Whitehall Street in lower Manhattan to St. George on Staten Island. With five boats on rotating schedules (four on weekends), you can catch the ferry regularly throughout the day.
