Pitke,
Team Mascot

Our Team

V Divided's Team is made up of like minded people who think outside the box, while still keeping an open mind for the current trends. We bring a fresh face to design.

We are V Divided, an LA based company seeking to get back desgin's roots—problem solving, and ways to present ideas. V Divided is a company focused on taking action, with style.

V Divided loves it, and we hope you do too.

As we came together in 2008, V Divided focuses on being humanly organic, by listening to our clients, as well as the world around us, bringing it all together. We are not afraid of toil; we welcome it.

Our work ranges from branding to architecture. If you've got a problem, our unique team of designers from multiple fields can help you out, in a simply human way.

Whether you want us to design a business card or a house, we've got you covered.

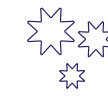

V Divided has someone in every field of design, and we all learn from each other, allowing for best way of sharing ideas through like-minded people

Our design process is simple :

Chalk Talk

We learn about you and your craft. What works and what doesn't ? We plan our approach, focusing on your input. It is about you, after all.

Conception

Now we take action ! Not to brag, but we go hard. We apply our research and we design and we don't cut you out.

Create

Guided by our shared ideas, we take care of business. We work together cohesively, and make sure everything is in tip top shape, down to the pixel. We take pride in our finesse; we have the skill to deliver.

Rise

Once we've created what you wanted, we don't leave you hanging; we teach you how to nurture your idea, allowing it to grow constantly.

Westbound

It is always a pleasure working with Cleo and the team at Project M Plus. Not only are they equipped with thoughtful ideas that are relevant to my brand and business, they are incredibly polished and work efficiently when it comes to execution. They're always at the forefront of what's new in the design world to offer the latest in graphics, which keeps me feeling more and more inspired with every project. I always look forward to the journey of a project with Cleo and the team.
